- 3:30 Work Plan
- 4:00 p.m. Adjourn! See you in February!

### **Work Plan**

- Data access/quality plan:
  - Joint effort with CIA and CSSA on data improvement and develop connection with the OACRAO (Registrars group) in support of this effort.
  - Need to work on common course numbering for post secondary remedial classes and to put them in the PSR ACTI code.
  - To assist OCCURS in providing feedback to state high schools related to their students matriculation and persistence into the community college system as a secondary goal.
- Communication Plan:
  - Work on relating and communicating mile stones and momentum points to our individual college's student success and institutional effectiveness activities.
  - Illuminate the IR role in insuring compliance with federal, state, accreditation, grant funding, and local reporting.
